Hitachi CP-RX70 LCD Projector XGA 2000 ANSI

Ultra Portable LCD Data Projector The CPRX70 has three innovative features that make your presentations smooth and smart. Its design is flat and smooth and its compact size makes it easy to carry and there is no need to turn off the room lights thanks to its high brightness: 2,000 ANSI Lumens. The CPRX70 features a short throw of 1.8m (5.9ft.) onto a large 60" screen. This allows a smooth use even in small rooms and limited spaces. Its quiet design – only 29dB (whisper mode)- will keep your presentations flowing with smart effectiveness.

- Brightness: 2,000 ANSI Lumens
- XGA Resolution: 1024 x 768
- Contrast ratio: 400:1
- Weight: 1.7kg
- Dimensions: 274 x 59 x 205mm
- Resolution Preset and Custom Modes
